Discussion of procedures for application permit review, approval and related rule.  
Review information/detail moderate sedation courses licensees are taking for moderate sedation permits and how we should view them (i.e. content too rapidly covered, how to approach when coursework is not adequate as per our rule, etc.; problems: previous individuals who have taken the course have been ‘permitted’ to have a license issued  
*Moved to this agenda from the 11/18/2015 meeting*
  - g. Anesthesia Courses: (38:43)**

Online coursework for obtaining IV sedation education:

1. Lack of interaction between attendee & instructors
2. Lack of clinical component

*Moved to this agenda from the 11/18/2015 meeting*

**h. Anesthesia Inspection processes: (55:45)**

When doing inspections, to what level do we require the inspection examination to be taken? (i.e. licensee only does a deep sedation, but plans on doing intubated general anesthesia)

Does moderate sedation require an IV? (i.e. multiple medications without IV established) or administration of any route requires IV to be placed.
